SUPERIOR CANNABIS GENETICS

At Symple Seeds, quality is not just a promise—it's a guarantee. We take pride in our commitment to providing the best cannabis genetics available on the market. Each strain we offer is carefully selected from a diverse network of reputable breeders and producers, ensuring that you receive seeds with the highest potential for success.

OUR COMMITMENT TO QUALITY

Quality control is at the core of everything we do. We understand that cultivators depend on reliable seeds for a successful harvest, and that's why we go to great lengths to maintain the highest standards. Every batch of seeds undergoes rigorous testing to meet our strict quality guidelines. This dedication ensures that you get a consistent and exceptional product every time, whether you're a seasoned cultivator or just starting out, our seeds offer the consistency and performance you need for a successful grow.

EXTENSIVE TESTING FOR YOUR PEACE OF MIND

We know that reliable seeds are the cornerstone of a successful harvest. That's why each batch of seeds goes through rigorous quality testing to ensure they meet our high standards. Our testing process includes:

- **Germination Rates of 90% and Above:** We maintain a germination rate of 90% or higher, giving you the confidence that your seeds will thrive.
- **Moisture Testing:** Proper moisture levels are critical for seed storage and viability. Our thorough testing process ensures seeds are kept in optimal conditions, and ready for planting.
- **Viability Testing:** We conduct extensive viability assessments to guarantee that your seeds are fresh and ready to grow, reducing uncertainties and maximizing your chances of success.

Our dedication to quality control means that you receive seeds that perform consistently, backed by science and experience.

YOUR SEEDS, YOUR WAY

Thanks to our extensive network of contracted breeders and producers, we can offer a vast selection of strains to meet any requirement. Whether you're supplying a seed bank or running a cannabis farm, we deliver the seeds you need, in the quantities you require, with fast shipping to keep your operations running smoothly.

At Symple Seed Solutions, we are here to support your cannabis journey—one quality seed at a time.
